I am electing to continue my salary deferral election up to the maximum amount allowed under the catch-up contribution rules for the current year and all subsequent plan years. My salary deferral percent on file with Vanguard will dictate the amount that is deferred and I understand that I can change this salary deferral election at any time by contacting Vanguard. I further understand that I may revoke this election at any time by contacting myHR.  Lastly, I understand that my responsibility in the processing of this catch-up contribution form (and the deferral election therein), is not finished until I have submitted the <b>completed form to the Benefits Team via a myHR ticket</b> .
