

# UnitedHealthcare Healthy Pregnancy<sup>SM</sup>

An app that offers nurse support and resources to help you take steps toward a healthier pregnancy.

## Personalized milestones

Keep track of your pregnancy milestones based on your due date.

## 24/7 nurse support

With just one-click, you're connected with a nurse, who can help provide answers to your questions and personal support throughout your pregnancy.

## Reminders

Keep track of calendar appointments and set reminders to take vitamins or take a few minutes to relax each day.

## Stay informed

Search symptoms and concerns that may occur, watch videos about a baby's growth, monitor your weight, and track your baby's movements.

## Stay connected

Access UnitedHealthcare pregnancy program resources and link to your pregnancy benefits and cost estimator tools.

## ...and more!

## We're here to help.

In addition to helping you keep pace with your pregnancy using the app, you also have access to 24/7 personalized support upon enrollment in the UnitedHealthcare pregnancy program. When you enroll in the program, you'll be able to work with a maternity nurse who is available to help answer questions, and provide educational information to help you make informed decisions throughout your pregnancy and after giving birth. Get started in the pregnancy program today by contacting the toll-free number shown on your health plan ID card.
